

TECH CONNECT

Tech Connect is your place to make great connections, learn about local tech companies doing cool things, laugh, smile, and have fun.

Nearly 130 Tech businesses in Central Oregon

Participate in monthly employer spotlight presentations from one of the many tech companies in Central Oregon.

Tuesday, May 15, 2018

3:00pm-4:30pm

WorkSource Bend

1645 Forbes Rd

Bend, OR 97701

You will discover people, partners, organizations, and resources to help you move forward in your tech career.

Tech Connect happens on the 2nd Tuesday of every month and it is **Free.**

Learn what Employers are looking for in their top candidates and find out what technology skills are needed in today's market.

It is our goal to provide a community network for the IT business professionals by providing education programs for advancing technology, business skills, leadership development opportunities, networking, peer mentoring and knowledge sharing. Our community is based on an attitude of helping each other connect to the resources that will take us all further faster.

If you are interested, **Please register at www.eventbrite.com and search for the Tech Connect event.**

We look forward to connecting with you!

We foster a community that supports a diverse and inclusive culture in technology. We seek to grow, empower and inspire the community through social events, mentoring and engaging business and culture. We are experiencing tremendous growth and it's been a major motivator for us to continue to grow a community that exemplifies diversity and is driven by its members.
