EXPERIENCED LEADERS

# BEND LIFETIME LEADERS

A community leadership program targeted to engage retired (or not) individuals in civic, nonprofit and business endeavors.

## What It Is:

The Bend Lifetime Leaders Program is designed for individuals who seek to share their wealth of experience and leadership in a significant capacity within their community. Program faculty will help participants develop a vision for the next chapter in their lives and ignite their unique leadership potential in our community. The environment will be one of peer-learning and facilitated discussions. Outside speakers and hands-on exercises allow for active engagement on class days.
