

Phase II Reopening Oregon

Building a Safe and Strong Oregon

June 8, 2020

Governor's Goals for Reopening

1. Minimize hospitalizations and deaths
2. Allow people to safely return to work so they can support themselves and their families
3. Minimize risk to frontline workers
4. Avoid overwhelming health systems
5. Protect those at highest risk of severe illness, especially communities of color
6. Support for small local gatherings that preserve community cohesion and cultural practices.

Oregon's Phased Reopening

Statewide Baseline

- **Current Guidance**
- Face Covering Guidelines
- Public Transit
- Outdoor Recreation
- Retail
- Childcare; Summer Camps & Youth Activities; Summer School
- **Additional Changes**
- Zoos/Gardens/Museums

Phase I

- **Current Guidance**
- Restaurant/Bars
- Personal Services
- Gyms/Fitness
- Indoor/Outdoor Malls
- **No Changes**

Phase II

- **New Guidance**
- Gatherings
- Venues & Event Operators
- Recreational Sports
- Indoor / Outdoor Entertainment Activities
- Swimming Pools & Sports Courts
- **Additional Changes**
- Limited Return to Work
- Restaurant & Bars
- Travel

Never Closed: Construction, Manufacturing, Agriculture, Other Industries

All Employers
– All Settings
-- All Phases

Physical distance:

- 6' distance between parties; party max is 10 people
- Gathering limits (by # or space)
- Ventilation/outdoor better
- No congregating; assign monitors
- No contact sports

People:

- Staff/volunteers – face coverings required; encouraged for all
- No guests, players, staff with symptoms allowed
 - If symptoms develop, minimize contact, exclude & disinfect
- Discourage those at high risk (pre-existing conditions)
- Train employees

All Employers
– All Settings
-- All Phases

Post Required Signage

- If have symptoms, stay home!
- Maintain physical distance
 - <https://govstatus.egov.com/OR-OHA-COVID-19>
- Occupancy limit

Physical space

- Close water fountains (no touch bottle-filling stations okay)
- Set up for 6' of distance
- No playgrounds/ball pits, etc.

Hygiene/cleaning

- Clean/disinfect shared equipment between uses (bats, rackets, etc.)
- Frequent hand washing/hand-sanitizing
- Frequent cleaning of high-traffic areas, touched surfaces
- EPA-approved cleaners
- Provide hand-washing/hand sanitizer stations

Baseline

Zoos/ Museums/ Gardens

Requirements

- Not for children's museums
- 250 occupancy cap, or lower, based on physical dimensions
- No playgrounds/play structures
- No drop-in child care
- End all activities by 10 PM
- Follow retail/restaurant rules where applicable

Baseline

Zoos/ Museums/ Gardens

- Use a reservation/call-in system
- Assign physical distance monitors
- Use a one-way/one-direction system
- Limit the number of staff who interact with a party
- Additional barriers for cashiers/customer service desk

Phase II

Limited return to
work
travel

- Limited return to office work...remote working recommended; designate someone to implement physical distancing.
- Travel - Individuals may travel in order to participate in all social civic, economic, recreational activities authorized for counties who are in Phase 2.

Phase II

Restaurant (Changes)

- May remain open 'til midnight
- Can use barriers to separate back-to-back booths
 - Acrylic or other easily cleaned, non-permeable barrier
 - Extend at least 1 foot above head level of seated customer.
 - Minimum width=3' or width of booth (whichever is larger)

Phase II

Gatherings

- General guidance: occupancy, or no more than 50 people indoor/
100 people outdoor which ever is less.
 - (personal services, camps, skate parks, state park pavilions, sports)
- Venue/Event Operator, Restaurant, Entertainment Facility,
Museum/Zoo/Garden or Gym can go to maximum of 250 (if space
allows)
- Not governed by gathering maximum: lodging, offices, retail,
malls

Phase II

Venues & Event Operators

- Venues or event operators who host or facilitate indoor or outdoor events, including social, recreational, cultural, civic and faith-based gatherings (applies to venues, restaurants & bars, indoor and outdoor entertainment, and fitness related organizations)
- Max 250 or based on square footage, whichever is less
- Specific requirements:
 - Require reservations or advanced ticket sales for public events
 - Maintain contact information of attendees for 60 days
 - Don't combine parties; a "party" is a group of people choosing to congregate together and must be less than 10 people.
 - For venues: assign a person to monitor physical distancing; outdoor events/venues one per 50 attendees.
 - Don't share communications equipment
 - Wipe down sound gear, esp. mics, between each use

Phase II

Venues & Event Operators

To the extent possible...

- Stagger arrival/departure
- Use multiple/separate entrances
- Encourage face coverings
- Use additional clear barriers
- Provide hand sanitizer at entrances
- Touchless/cashless
- Use one-way system

Phase II

Indoor & Outdoor Entertainment Facilities- Definition

Indoor Entertainment	Outdoor Entertainment
-Aquariums	-Amusement Parks
-Bowling	-Jet boats
-Arcades	-Fishing charters
-Billiards	-Merry-go-round
-Trampoline parks	-Go-karts
-Laser tag	-Mini-golf
-Roller-skating	-Sky diving
-Ice-skating	-Bungee jumping
-Indoor shooting range	-Guided Horseback trail riding
-Escape room	-Pumpkin patch/u-pick/maze
-Mini golf	-Outdoor shooting range
-Ping Pong	-Lead excursions
-Axe throwing	-Scenic train
-Carousels	-Rail riders
-Bumper cars	-Guided kayak tours
-Lighthouse tours	-Zip line tours
	-Outdoor adventure parks
	-Paintball
	-Trolley cars
	-River cruises

Phase II

Indoor & Outdoor Entertainment Facilities

Requirements

- No play areas/ball pits/playgrounds
- If can't maintain physical distance, DO NOT OPERATE
 - Brief interactions
- Clean/disinfect games, balls, equipment, etc., between parties
- Close areas that attract crowds
- No drop-in childcare
- End/close by 10 PM
- Follow Restaurant guidelines for any food/beverage service
- Follow Retail guidelines if have a retail/gift shop

Phase II

Indoor & Outdoor

“To the Extent
Possible...”

- Use a reservation system
- Assign a staff to monitor physical distancing/prevent parties from congregating
- Establish a one-way traffic system
- Limit the number of staff who interact with any given party
- Encourage individuals to limit parties to household members
- Use clear barriers to separate cashiers or help desks from customers

Phase II

Recreational Sports

- Applies to practice, training and play
- Contact sports (body contact) are prohibited
- To minimize risk
 - Limit # of people
 - Use outdoors/well-ventilated areas
 - Keep physical distance
 - Keep any close/closer interactions short
 - Use face coverings whenever possible
 - Assume players probably cannot wear during play

Phase II

Recreational Sports

Requirements

- Coaches/staff must wear face coverings
- Communicate policies to participants/guardians
- Clean/disinfect shared equipment between uses (bats, rackets, etc.)
- Frequent hand washing/hand-sanitizing
- Clean/disinfect restrooms before & after each game/session

Phase II

Recreational Sports

To the extent
possible...

- Assign someone to monitor physical distancing behavior
- Allow only 1 individual to use a restroom at a time
- Discourage any incidental contact, e.g., handshakes, high fives, group cheers, etc.
- Space out equipment to ensure physical distancing is maintained
- Minimize sharing of equipment
 - Clean any shared equipment frequently (including balls)
- Close practices to spectators
- Train/play outside
- Allow time between games/practices to minimize interaction between successive groups
- Use a one-way system
- Don't arrive early; remain outside until your appointed time
 - See also pools/sports courts guidance (to follow)

Phase II

Pools & Sports Courts

Pools

- Maintain physical distancing; except for members in the same party
- Assign a physical distancing monitor (where there are staff; otherwise post signs)
- Only one swimmer per lap lane
- Staff must wear face coverings (except lifeguards in the pool)
- Spa pools: one household unit at a time
- Clean/disinfect share equipment

Sports courts are for non-contact sports only

Phase II

Pools & Sports Courts

Cleaning

- Pool re-opening: flush cold and hot water systems
- Frequently clean & disinfect high-traffic, commonly touched surfaces (counters, tables, handrails, handles, showers, etc.)
- Make hand sanitizer available
- Regularly check pool recirculation equipment & disinfectant levels
- Lifeguards should NOT be cleaning / performing other task while on duty

Phase II

Pools & Sports Courts

Locker Rooms

- Locker rooms MAY be opened
- If opened, must:
 - Set/post a limit on the number of individuals
 - Keep in mind 6' of physical distance requires ~30 sq feet per person
 - Assign a physical distancing monitor
