<sup>1</sup> To send money to a business, a consumer must be enrolled with Zelle through their bank's mobile app or enrolled in the Zelle app with a deposit account. Businesses are not able to enroll in the Zelle app with a debit card and cannot receive payments from consumers enrolled in the Zelle app using a debit card. Terms and conditions apply. Please refer to the [Digital Services Agreement](#) for more information. A fee applies when a Zelle payment is received into a U.S. Bank business account.

Zelle and the Zelle related marks are wholly owned by Early Warning Services, LLC and are used herein under license.
