CHAIR, BEND YP

Keynote LISA X. WALDEN

8:50AM | WILLE HALL

Lisa X. Walden is a speaker, strategist, and consultant dedicated to helping businesses create authentic, empowering workplaces that don’t inspire the dreaded Sunday scaries. Her presentations deliver action-oriented insights that help people better connect, collaborate, and communicate.

As co-founder of Good Company Consulting, her work is centered on the (strangely revolutionary) concept that people and strategy don’t have to be mutually exclusive. She takes a holistic approach to workplace strategy, keeping human beings—arguably the most valuable resources—at front and center. Lisa Walden’s speeches focus on how to maintain thriving cultures, best-practices for mindful communication practices, and tactics for nurturing the single most important component of a healthy work environment—trust.

Emcee CARLY KEENAN

8:30AM | WILLE HALL

Carly Keenan is an Anchor, Reporter, and Weather Forecaster for NewsChannel 21. Carly moved to Bend to start her career in February of 2021. She’s from St. Paul, Minnesota but went to the University of Kansas to study journalism and Spanish (ROCK CHALK!). Carly lives in Bend with her cat, Dobbi (named after her favorite Harry Potter character). She enjoys snowboarding at Mt. Bachelor and floating the river in the summer. Carly’s favorite thing to do is meet new people and engage with her community. She’s honored and excited to be the emcee for this year’s YP Summit!

10:00–10:30AM | CAFETERIA

New this year, we've added a Nonprofit Speed Dating activity. You will be able to meet with various nonprofits in Bend to hear about the incredible work they do in the community and how you can get involved through volunteer and board service opportunities.
