

# Leadership Bend Class of 2025 Commitment Form

This signed Commitment Form is between \_\_\_\_\_ and Leadership Bend.  
(applicant's name)

If accepted into the program, I understand the commitment I am making to the Leadership Bend program for the Class of 2025 as follows:

- Attending the Orientation Retreat - September 5-6, 2024
- Attendance at all scheduled monthly sessions as listed in the application form
- Making necessary arrangements to begin on time and remain in the sessions for the full day
- Completion of homework, required extra credit, event attendance and team assignments which will require time outside of class for successful program completion. See "Requirements and Credit System, 2025" for details
- Graduation ceremony on June 10, 2025
- Full participation in the small group Impact Project which will require time outside of class for successful program completion
- My future plans to include seeking a community leadership role or position within the next year

I understand the expectations and commitment to this program including the importance of not missing any portion of the sessions and programs for the Leadership Bend Class of 2025. If an emergency causes me to miss a session or a portion of a session, **I understand I will be expected to make up those credits by completing class interviews and extra credit assignments.** No more than one class may be missed unless provided a specific exception by the program leader. Extra credit options and examples will be outlined in the Credit System document provided prior to the Orientation Retreat and are my responsibility to complete. I will complete all assignments by the due date, including extra credit, unless prior arrangements have been made.

Finally, as this program can only select a set number of participants, I understand the value of my acceptance and why my commitment, as well as that of my fellow classmates, is of great significance.
