

## NEXTUp Leaders Class of 2025 Commitment Form

This signed Commitment Form is between \_\_\_\_\_ and the BendNEXT Foundation.  
(applicant’s name)

If accepted into the program, I understand the commitment I am making to the NEXTUp Leaders program for the Class of 2025 as follows:

- Attending the Orientation Retreat on January 22, 2025
- Attendance at all 7 scheduled sessions as listed in the application form
- Making necessary arrangements to begin on time and remain in each session for its entirety
- Completion of an individual project, which will require time outside of class for successful program completion
- Attendance at the Graduation Celebration breakfast on May 15, 2025

I understand the expectations and commitment to this program including the importance of not missing any portion of the sessions and programs for the NEXTUp Leaders Class of 2025. If an emergency causes me to miss a session or a portion of a session, **I understand I will be expected to make up those credits by completing class interviews and extra credit assignments.** No more than one class may be missed unless provided a specific exception by NEXTUp staff. I will complete all assignments by the due date, unless prior arrangements have been made. I commit to clear communication with NEXTUp staff if anything is impacting my ability to participate in the program.

Finally, as this program can only select a set number of participants, I understand the value of my acceptance and why my commitment, as well as that of my fellow classmates, is of great significance.
