## RADIO | DIGITAL MARKETING

## Buy-One-Get-One-Free Radio Commercials!

For a limited time, your business can secure one bonus commercial in the best-time-available for each paid primetime commercial. This offer is valid on KLRR 101.7 FM “The Adult Alternative” and/or KWXS 107.7 FM “GOLD” Timeless Radio, while supplies last! You’ll also receive discounted pricing on our other stations, for multi-station placement.

Primetime commercials on “GOLD” and 101.7 start **around just \$10 each**, and scripting/production is always included at no additional cost. Target thousands of Tri-County listeners each week for a fraction of what you’ll invest on other area marketing options.

Any commercials aired on our station properties are also simulcast on our station apps, website “listen live” buttons, Alexa and Google smart-speakers, as well as TuneIn or anywhere else our broadcasts are received.

And don’t forget, using display banners or streaming video, our digital department can target any geographic, demographic or psychographic criteria **NATIONWIDE**.

Radio continues to maintain the **largest reach of any advertising medium**. Reach out today, and let us know how we can put our **BIG MOUTH** to work for your product or service!
